# ABOUT US

Founded in 1995, Pasupati has flourished since then. With almost two centuries of experience and traditional knowledge passed on for five generations, we have put in place unique milling and manufacturing processes that ensures best quality and nutrient rich rice grains. From procurement to packaging our time tested methodologies and quality control measures have not only earned us a niche in the market but also a pleasant spot in the hearts of our customers.

The perfect combination of a dedicated skilled workforce with advanced milling and manufacturing technology continues to make our journey successful and remarkable. From grandma's special khichdi to the chef's signature biriyani, from the all-perfect mom's delicious kheer to the never-perfect bachelor's one pot pulao, Pasupati rice is a household name for every occasion.

We sincerely owe our gratitude to every customer for trusting us and owe it equally to our partners and other stakeholders' alike. Above all, we see ourselves as a committed member of the society contributing to a larger cause of public wellbeing and social welfare and fulfil our corporate social responsibilities diligently as part of our mission.

## BASMATI RICE

As sharp and long as artisans' fingers, the Pasupati Bhog Basmati rice is packed richly with carbohydrates. The Aroma of the rice grains speak volumes of its age in years. The speciality lies in the non-sticky texture of rice grains that bond with other ingredients turning an ordinary day at the household magically memorable. Every morsel of Pasupati Bhog is rather an experience that only leaves one wanting for more.

# PREMIUM BASMATI RICE

*Pasupati brings to you the King of rice - 1121 steam basmati rice for the royal self in you. Only the best and finest paddy is used to make the world's longest rice. The grains are aged to perfection making this aromatic grain the 1st choice for biryanis. Experience the magnificence of this delicious rice with PASUPATI.*

available in 1 kg | 5 kg | 10kg | 25 kg

# SUPER BASMATI RICE

*Pasupati Super Basmati has an extraordinary length of 8 mm which becomes longer and fluffier when cooked. Our super variety is a perfect choice for every occasion. Its smooth and slender texture is unique to its kind.*

available in 1 kg | 5 kg | 10kg | 25 kg

# ROZANA BASMATI RICE

*Pasupati Rozana Basmati rice has the perfect combination of taste, aroma and texture. On your non-biryani and non-pulao days, Rozana Basmati rice comes in handy for a simple meal with Indian lentils and spices. Its optimum length and perfect consistency after cooking makes it a popular choice for every day consumption. It is undoubtedly the comfort food among rice eaters.*

available in 1 kg | 5 kg | 10kg | 25 kg

# REGULAR BASMATI RICE

*Pasupati Regular Basmati rice is a highly versatile rice. The flavourful aroma and delicious taste makes it a favourite among children and elders alike and we deliver it the best like none. Rich in essential nutrients, a bowl of Pasupati Regular Basmati rice is a perfect choice to relish in all weathers.*

available in 1kg | 5 kg | 10kg | 25 kg

# PREMIUM BASMATI SELLA RICE

*Sella Basmati rice is a cultivar of Basmati rice that has been parboiled. Appreciated for their unmatched quality, tempting taste and aroma and standard grain size, Sella Basmati rice from Pasupati is highly demanded worldwide. We ensure the core features of Sella rice on your plate- its extra length, non-sticky texture and longer shelf life.*

available in 10kg | 25 kg

# SUPER BASMATI SELLA RICE

*Pasupati Super Basmati Sella rice is parboiled and rich in carbohydrates. Low in sodium, it is free of gluten and cholesterol. This makes it a natural choice for the basmati rice lovers who wish to indulge themselves in their comfort rice dish without being too concerned of the excess calories. Its texture and colour is slightly different from the premium variety but the aroma and taste is as heavenly as its premium sister. All of this comes in a package that is affordable and economical.*

available in 10kg | 25 kg

# ROYAL BASMATI RICE

*Pasupati brings to you Royal Basmati serving 1121 Raw Basmati Rice, which is one of the world's costliest rice grades for its aroma, length & delicate flavour. The length of uncooked 1121 Raw Basmati rice ranges from 8.20 to 9.01mm. Each and every grain of rice spreads its sweet aroma, elongates twice of its length, and freely flows when cooked compared to other rice grades.*

available in 1kg | 5 kg

# DELIGHT BASMATI RICE

*Pasupati Delight Basmati Rice or Pusa Basmati rice is the hybrid variety of Basmati Rice that possess 100% purity, aromatic fragrance and non-sticky texture after cooking. The distinctive taste and enticing aroma has made this long grain rice highly acclaimed worldwide. We bring to you authentic Delight Basmati from the heart of India.*

available in 1kg | 5 kg

## NON BASMATI RICE

Pasupati Bhog Non-Basmati rice is crafted under optimum sunlight to meet the needs for a staple diet. Watered, winnowed and polished, every harvest ensures a fulfilling experience for appetite large and small. We, at Pasupati use advanced technology at every stage of processing different varieties of rice in the non-Basmati category.

# PREMIUM GOBIND BHOG RICE (JEERA)

The Gobind Bhog rice also popularly known as Jeera rice in southern part of India, was allotted geographical indication (GI) tag of West Bengal by the government of India. This elite short grain variety of rice owns a special place in households and interestingly owes its name to lord Govindajiu. Be it the comfort Kichuri or the delicious Biryani or the religiously significant KHEER and other offerings to deity, the Gobind Bhog rice is everyone's trusted food companion. We prepare and deliver the best quality Gobind Bhog rice with its sweet aroma, buttery flavour and soft texture.

available in 1 kg | 5 kg | 10kg | 25 kg

# PREMIUM BASKATI PARBOILED RICE

*Baskati rice is the twin sister of basmati rice. This long grain variety of rice is not only very thin but also has a unique natural flavour. We at Pasupati deploy the best techniques in ensuring that this parboiled rice is delivered to you with its nutritional value intact. It is considered one of the best variety in non-basmati grade*

available in 10 kg | 25 kg

# PREMIUM MINIKET PARBOILED RICE

*Known for its soft texture, this long grain variety of rice owes its origin to the state of West Bengal. Leveraging our decades of experience in rice manufacturing in West Bengal, we offer you the best quality polished Miniket rice. This parboiled polished rice is a good source of thiamin, folate, niacin, manganese and selenium. With its average length of 6.5 mm, Miniket rice is a preferred choice for exquisite rice dish.*

available in 10 kg | 25 kg

# REGULAR MINIKET PARBOILED RICE

Commonly used in households this parboiled polished rice is a good source of thiamin, folate, niacin, manganese and selenium. Leveraging our decades of experience in rice manufacturing, we offer you the best quality Miniket rice. It is not only a preferred choice for exquisite rice dishes such as biriyani and pulao but also pocket friendly

# PREMIUM RATNA PARBOILED RICE

Grown in states of Andhra Pradesh, and West Bengal, Ratna rice also known as 1010 in West Bengal is one of the most popular rice choices among the rice lovers. This parboiled rice variety is known for its unique flavour, fulfilling taste and appealing length. Not only is the Ratna rice well polished and devoid of impurities, our intact packaging process goes a long way in ensuring you the real taste of Ratna rice.

available in 25 kg

# REGULAR RATNA PARBOILED RICE

The Regular Ratna parboiled rice popularly known as IR-64 and IR-36 in the rice industry parlance, is the natural choice for Indian cuisines. Be it the quintessential sambar rice or other flavoured rice dishes, Ratna is the choice to go for every occasion. Priced reasonably, Regular Ratna is a tad shorter than its premium kind and is served to you right from the fields of Andhra Pradesh and West Bengal.

available in 25 kg

# PREMIUM KATARNI STEAMED RICE

*Katarni rice is in vogue since the Aryan times making it the traditional and oldest rice variety in the Indian households. It is sweet in flavour and has a curved knife shape. Light white in colour, its natural fragrance makes it a popular choice for pulao and desserts. The districts of North Bihar and Uttar Pradesh produce the best quality Katarni rice and we ensure that they are served fresh and intact at your doorstep.*

available in 25 kg

# PREMIUM SONAM RAW RICE

*Sonam Non-Basmati rice is usually identified by its short grains, having the length between 5.0 mm and 5.2 mm. States like Bihar, Jharkhand, U.P. produce this rice. Pasupati Premium Sonam rice has low moisture content and the grains do not stick or clamp together. It is used to make various kinds of cuisines for its delicious taste and high nutritional value. Sonam rice is mostly used in homes, restaurants and banquet halls to make quality dishes.*
